

## MATERIAL SAFETY DATA SHEET

S & G Resources, Inc.  
266 Main Street  
Olde Medfield Square  
Medfield, MA 02052  
Telephone: (508) 359-7771

Date: January 2005  
Page: 1 of 5

---

### I. PRODUCT IDENTIFICATION

Trade Name: Diammonium Phosphate

Chemical and common name: Diammonium Phosphate; Ammonium Phosphate Dibasic

CAS Number: [7783-28-0]

Appearance and odor: White crystal; odorless

---

### II. HAZARDS IDENTIFICATION

#### Emergency Overview

Based in currently available data, this product does not meet the regulatory definition of a hazardous substance. However, good industrial hygiene practices should be used in handling it.

#### Potential Health Effects

Eye: May cause mild irritation.

Skin: Skin absorption not likely. May cause mild irritation.

Inhalation: Dusts may cause upper respiratory tract irritation.

Ingestion: This substance is commonly used as a component in food, vitamins and pharmaceutical tablets, and may be safely consumed in moderate amounts. Ingestion of large quantities may cause abdominal cramps, nausea, vomiting, and diarrhea.

Chronic: This product does not contain any ingredient designated by IARC, NTP, ACGIH or OSHA as probable or suspected human carcinogens.

### III. FIRST AID

**EYES:** Hold eyelids open and flush with a steady, gentle stream of water for at least 10 minutes. Seek medical attention if irritation develops or persists or if visual changes occur.

**SKIN:** In case of contact, wash with plenty of soap and water. Seek medical attention if irritation develops or persists.

**INGESTION:** If victim is conscious and alert, give 2-3 glasses of water to drink. Do not induce vomiting. Seek immediate medical attention.

**INHALATION:** If respiratory irritation or distress occurs remove victim to fresh air. Seek medical attention if respiratory irritation or distress continues.

**MEDICAL CONDITIONS POSSIBLY AGGRAVATED BY EXPOSURE:** Inhalation of product may aggravate existing chronic respiratory problems such as asthma, emphysema or bronchitis. Skin contact may aggravate existing skin disease.

**NOTES TO PHYSICIAN:** All treatments should be based on observed signs and symptoms of distress in the patient. Consideration should be given to the possibility that overexposure to materials other than this product may have occurred.

Treat symptomatically. No specific antidote available.

---

### IV. FIRE FIGHTING MEASURES

Flash Point: Not applicable.

Extinguishing Media: Not combustible. Extinguish fire using appropriate extinguishing media for the surrounding fire.

Special Fire Fighting Procedures: Firefighters should wear NIOSH/MSHA approved self-contained breathing apparatus and full protective clothing. Dike area off to prevent runoff and contamination of water sources. Dispose of fire control water later.

---

### III. ACCIDENTAL RELEASE MEASURES

**Evacuation Procedures and Safety:** Wear protective gear for the situation. See Personal Protection information in Section 8.

**Cleanup and Disposal of Spill:** Sweep or vacuum up and place in an appropriate closed container (See Section 7: Handling and Storage). Clean up residual material by washing

area with water and detergent. DO NOT RETURN MATERIAL TO ITS ORIGINAL CONTAINER.

Environmental and Regulatory Reporting: If spilled on the ground, the affected area should be scraped clean and placed in an appropriate container for disposal.

---

IV. HANDLING AND STORAGE

Handling: This is a food ingredient intended for human consumption. Keep containers closed when not being used.

Storage: Store in closed containers. Store in an area that is cool, dry, sanitary.

---

V. EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering Controls: Where engineering controls are indicated by use conditions or a potential for excessive exposure exists, the following traditional exposure control techniques may be used to effectively minimize employee exposure: Local exhaust ventilation at the point of generation.

Personal Protective Equipment

Eyes: Wear chemical safety goggles when airborne dust is expected

Skin: Wear impervious gloves when continuous contact is expected.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Respirators: Use approved dust respiratory protection if release of the product into the work area is expected.

---

VI. PHYSICAL AND CHEMICAL PROPERTIES.

Physical state: Powder/Crystals

Color: White

Odor: Odorless

Boiling Point: Not available

Melting Point: 155°C

Flash Point: Non Combustible

Vapor pressure: Not Available

pH: 7.6 – 8.2

Explosion Limits, lower: Not applicable

Explosion Limits, upper: Not applicable

VII. STABILITY AND REACTIVITY

Chemical Stability: Stable under normal handling and storage conditions described in Section 7.

Conditions to Avoid: None known

Incompatibilities with Other Materials: None known

Hazardous Decomposition Products: None known

Hazardous Polymerization: Will not occur.

---

VIII. TOXICOLOGY INFORMATION

Eye Contact: No test data found for product

Skin Contact: Minimally irritating

Skin Absorption: No test data found for product

Inhalation: No test data found for product

Ingestion: No test data found for product

---

IX. ECOLOGICAL INFORMATION

Ecotoxicological Information: No data found for product.

Chemical Fate Information: No data found for product

---

X. DISPOSAL CONSIDERATIONS

Waste Disposal Method: Chemical additions, processing or otherwise altering this material may make the waste management information presented in this MSDS incomplete, inaccurate or otherwise inappropriate. Please be advised that state and local requirements for waste disposal may be more restrictive or otherwise different from federal laws and regulations. Consult state and local regulations regarding the proper disposal of this material.

EPA Hazardous Waste: No

XI. TRANSPORTATION INFORMATION

US DOT:

Proper shipping Name: None, not regulated

Classification: Not Regulated

UN Number: None, not regulated

---

XII. REGULATORY INFORMATION

U.S. FEDERAL:

TSCA –is listed on the TSCA inventory.

CANADA

Is listed on Canada's DSL List

---

XIV: OTHER INFORMATION

Additional Information:

No additional information available
